Dear Larry:

Thank you very much for making the 17th Annual CAK Scholarship Golf Tournament a tremendous success. The Board of Directors, Scholarship Committee, Golf Tournament Committee and staff are humbled and grateful to all the volunteers, donors, sponsors and golfers who supported the program with your generosity.

The beneficiaries of your kindness will be the 2011 scholarship recipients. With the increasing cost of post-high school education, home-grown scholarship programs like those offered by the Contractors Association of Kauai becomes increasingly important. In order for the construction industry to attract the best and the brightest, we need to continue to support students and their families to the extent we are able to. Your help with this golf tournament will make that support possible for some of Kauai's young scholars.

Thank you again for your support of the Contractors Association of Kauai and your generous gift to the scholarship program.

With Warm Regards,
CONTRACTORS ASSOCIATION OF KAUAI
